8051 plugin
File: 8051_plugin_module_LIOD.kicad_sch
Analog head interface ceramic module.
No designators present on module. All reported values for components are direct measurements.
Resistors are thick-film on ceramic, laser trimmed.
File: LIOD_hybrid.kicad_sch
Main LIOD PCB
IPM EM105 16-1993
Note: SMD resistor and caps have no designators on the silkscreen.
Designators are however correct for through hole parts.
